

# *Evedon Park Bush Retreat*

## *Walking Trails*

Set out on a family adventure, a solitary ramble or a day of exploration with friends. Each trail has a barbecue along the way, so you can stop for lunch and refreshments and enjoy the beauty of nature.

**Pink Trail 300m:** Perfect for families with small children or people who just want to go for a wander in the bush for a BBQ. A place where you can sit and relax over lunch and let the kids have a play.

**Blue Trail 3.7km:** A long, scenic walk. It is an undulating and relatively easy walk that takes you through beautiful countryside with views of Bunbury and the Ferguson Valley.

**Yellow Trail 2.7km:** This trail takes you up steep inclines of the Jarrah bushland, through stunning rock formations and iconic grass trees surrounded by natural bushland.

## *A few points about the trails...*

On commencing your journey at the “start”, please close the gate behind you.

The red dots on the trails are the firepit BBQs. Please note that there is currently a fire ban in place as set by DFES.

If travelling on the blue trail, when you get to the gate, follow the fence line. Please don't go through the gate as you will leave the property.
